with pleasure I write to day in praise of Dr. Pierce and his medicines," says Mrs. Mary Conway, of Appleton, Lawrence Co. Tenn. "Was troubled with female disease; the back of my head hurt me so I could not lie in bed and I would have to sit up, and then I would have such pains from my waist down I could scarcely raise up. My feet and hands would feel almost like ice. Since taking Dr. Pierce's Faworite Prescription I can sleep well all night. Could hardly drag around before I took your medicine, and now can do my housework and help my husband in the field. Words cannot express the thanks I owe to Dr. Pierce."

Weak and sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. V.
